

CORE RETURNS

Acceptance Criteria

COMMON RAIL INJECTOR >

ELECTRONIC UNIT INJECTOR

ELECTRONIC UNIT PUMP >

COMMON RAIL PUMP >

CONVENTIONAL PUMP >

IMPORTANT INFO!

- Yes or no? Inspect core against the above criteria to check it's suitable to return
- Securely package the unit, ideally in its original box, to prevent any damage during transit
- Return core separately i.e. do not mix warranty and core in the same consignment
- If you're not using CarwoodHub, remember to include your paperwork in the box
- Are you on time? You have 12 months from the date of invoice to return core - after this we won't be able to accept your core
- Only return corresponding core – it must match the new unit that you've purchased

RETURN your core at
carwoodhub.co.uk
 quick, easy and paper-free returns
 Or email returns@carwood.org
